

**Project 1:**

All students will be required to submit a paper on one of the early contributors to sociology. You may write your paper on any one of the following early sociologists: Auguste Comte, C.H. Cooley, Emile Durkheim, Karl Marx, G.H. Mead, Herbert Spencer, Max Weber, W.G. Summer, Jane Addams, Harriett Martineau, and W.E.B. Dubois. Summarize their background and early life experience. Next, summarize their major works and contributions to the field of sociology. The paper has a required length of 2-3 pages. It must be typed in a double-spaced format, and have a cover page. Properly cite or reference material using the appropriate ASA style. The cover and reference page is in addition to the 2-3 pages of text. Papers will no longer be accepted a week after the due date and face an automatic 10% deduction. Papers must be turned in at the start of class on the due date. I will not accept any emailed papers. A list of suggested website links for the various sociologists is provided.
